

REQUEST FOR EXPRESSIONS OF INTEREST (REOI)

PROVISION OF PIPING MATERIALS & FITTINGS AND/OR INDUSTRIAL, ELECTRICAL & INSTRUMENTATION MATERIALS

1. Introduction

Staatsolie Maatschappij Suriname N.V. (“Staatsolie”) hereby invites qualified and experienced suppliers to submit Expressions of Interest (EOI) to prequalify for the provision of **(i) Piping Materials & Fittings** and/or **(ii) Electrical & Instrumentation Materials** to support Staatsolie’s operational requirements across its upstream, midstream, downstream, and power generation assets.

Interested companies may submit an Expression of Interest for one or both material categories, subject to demonstrated capability, relevant experience, and an appropriate product portfolio.

This REOI forms part of the prequalification process as described in Staatsolie’s Procurement Policies & Procedures and is intended to establish a shortlist of qualified suppliers who may be invited to participate in a subsequent competitive tender process.

For more information about Staatsolie, please visit: www.staatsolie.com

2. Project Overview

Staatsolie seeks to establish a Frame Agreement / Master Service Agreement (MSA) for the reliable and cost-effective supply of piping materials, fittings, electrical components, and instrumentation materials. The agreement is intended to cover a period of 3 years.

The indicative contract parameters are as follows:

- **Contract Type:** Frame Agreement / Master Service Agreement (MSA);
- **Estimated Duration:** 3 years

3. Scope of Supply

The selected supplier(s) shall provide materials including but not limited to:

Piping Materials & Fittings

- Burner components;
- Fasteners;
- Fittings;
- Gauges;
- Pipes (carbon steel and HDPE);
- Sealants.

Industrial, Electrical & Instrumentation Materials

- Cables and wires;
- Power and distribution equipment;
- Switches and control components;
- Transmitters and sensors;
- Batteries;
- Cable management materials.

REQUEST FOR EXPRESSIONS OF INTEREST (REOI)
PROVISION OF PIPING MATERIALS & FITTINGS AND/OR ELECTRICAL & INSTRUMENTATION MATERIALS

4. Submission Requirements for Prequalification

Interested Companies shall submit the following information and submit the following documentation:

- Company legal registration and corporate information;
- Valid registration with the relevant Chamber of Commerce (or equivalent authority);
- Company profile demonstrating relevant experience in the supply of piping materials, fittings, and/or electrical and instrumentation materials to the oil & gas or energy sector, including project track records and client references
- Willingness to register on Staatsolie's SAP Ariba Supplier Lifecycle and Performance (SLP) platform

5. Submission Information

Submission Deadline: 3 July 2026

Note: All submissions and communications shall be in English.
