

## Request for Expression of Interest for Procure to pay process

Staatsolie Maatschappij Suriname N.V. is soliciting interest from service providers who have the skills, competencies, experience and technical requirements to carry out the services listed below. This is an Expression of Interest and not an Invitation to Bid. Interested service providers must provide evidence that they are qualified to perform the indicated services, such as similar assignments, experience in similar projects, availability of appropriate skills, expertise and technical requirements.

### Professional Service description and scope

- Assess the blueprint of the current Procure to Pay (P2P) process as configured in the Enterprise Resource Planning software SAP for the management of its business processes.
- Assess the P2P process flow and the interconnectivity between stakeholders.
- Advise on improved P2P processes while considering the growth strategy for the coming years and the maturity of the finance organization and the business as a whole.

### Submit letter

Service providers who meet the general requirements and competencies and are interested in participating in the tendering process are invited to express their interest. Service providers can upload their Expression of Interest together with their company profile and company registration certificate here: <https://www.staatsolie.com/en/news/request-expression-of-interest-procure-to-pay-process/> or scan QR code.

### Deadline

The Expression of Interest must be submitted not later than Friday 14 July 2023, 15:30 hrs (Suriname time). Evaluation of the submitted Expressions of Interest will result in a shortlist of potential bidders who will receive a Request for Proposal by the end of July 2023.
