

REQUEST FOR EXPRESSIONS OF INTEREST

Pump Inspection, Repair, Overhaul and Testing - Downstream

Staatsolie Maatschappij Suriname N.V. is soliciting interest from suppliers who have the skills, competencies, and experience to carry out the works listed below. This is an Expression of Interest and not an Invitation to Bid. Interested suppliers must provide evidence that they are qualified to perform the indicated services, such as similar assignments, experience in similar projects, availability of appropriate resources, skills and expertise.

Suppliers who meet these general requirements and competencies and are interested in participating in the tendering process are invited to express their interest. The Expression of Interest, must be submitted within the stipulated submission deadline together with the company profile and an official company registration certificate through the Staatsolie website.

Evaluation of the submitted Expressions of Interest will result in a shortlist of potential bidders who will receive a Request for Proposal.
